The ***Haitian Heritage Museum*** is a non-profit organization that is committed to highlighting and preserving Haiti's rich culture and heritage ***locally, nationally and internationally***. Our goal is to provide a cultural Mecca for South Florida where individuals outside of our community and within our community can come to enjoy beautiful Haitian art, historic artifacts, ethnic sounds of Haitian music, view Haitian films and enjoy a collection of Haitian Literary works. We hope that by providing this experience to the public we can expose the phenomenal contributions that Haitian Americans have made as a people which will in turn, create a legacy for the future generations of young Haitian Americans. ***Haitian Heritage Museum*** is the only museum in the world outside of Haiti dedicated entirely to the Haitian people.
